Pastoral Letter

February 2017

Dear Friends,

‘Robbing Peter to pay Paul’

It would seem from the earliest time there has been a tension in how the Church used the resources it has. These resources have come from the people of the Church. The belief would be we only have what we have because of God’s generosity towards us. Therefore we are only really looking after what God has given us and we should be careful in how we use the gifts God has given.

It is this idea that lies behind the thoughts of Christian Stewardship. How we ‘Steward’ what God has given is important.

The idea of ‘Robbing Peter to pay Paul’ refers to a time before the reformation when the Church based in Rome expected a tax to be paid. This would have been a Tax to Peter, the symbolic head of the Church in Rome. Paul would have represented the Church in London. The Church in

London also needed support. Therefore the people of London lived with a tension. How much could they pay the Church in Rome without properly supporting the Church in London. The tension was between supporting the local as against the international.

How little has changed. As Church locally we have been focusing on the need to raise money to repair and replace the Church roof. However we have a limited amount of money and have questioned our ability to meet the financial request of the Church at large. There is only so much money and it can only go so far.

Although we have raised the money to complete the work on the roof, we have been unable to meet the requests the Church Nationally has requested of us. We have managed a short fall in our expenditure over our income.

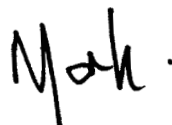

It has been through the careful 'Stewardship' of our resources, and the generous sharing and giving of the people of St Mary's we have sought to make ends meet. When people have been so generous it is difficult to ask for more.

In the coming year we will be considering our Christian 'Stewardship'. This will be an exercise for the Kirk Session, Congregation and all who are involved in the life of St Mary's.

At this time of year as we begin a new year, setting priorities and thinking again about what really matters. I ask you to think about how you support the work of the Church. From heating, lighting, cleaning, preaching, burying, marrying, supporting and baptising can you give a little more support to the work of this Church in the life of this community?

It may mean robbing Peter to pay Paul but you will be in good company.

Kindest regards

I would like to especially thank Mrs F. Leishman, Mrs E Walker, Mrs R. Poynton, Mrs B. McEwen and Mrs I Sinclair, who have given of their time and talent arranging the flowers that beautify our Sanctuary.

I am always looking for more helpers to go on our rota for delivering the Chancel flowers. At present it would be twice a year that you would be asked. Please contact me on 776 4974 if that is something you are interested in doing for your Church.

Dates for your Diary

Guild Coffee Morning is on Saturday 18 February 2017. Please come along and support them in their effort to, yet again, raise money for the Church and Guild Projects.

THE DAY OF THE TOSSERS! – On Sunday 26th February, a Pancake Lunch will be held after the service. There will be a selection of pancakes, both sweet and savoury, as well as other food, some of which will be gluten free. As part of the entertainment there will be a pancake tossing competition and several people have already agreed to take part but we have room for a few more. There is no running involved and you can compete sitting down if you prefer. The pancakes will be ready cooked so all you have to do is toss them; then enjoy a pancake lunch (not the ones you have just tossed.)

Who will be St Mary's champion Tosser? Come along and find out as well as enjoying a lunch and good company.

Cost £1 plus a donation on the day. Tickets will be on sale after the service on the Sundays leading up to the 26th.

Kirkintilloch & Lenzie Christian Aid Group – The Spring Fair is on Saturday 4 March in St Mary's Church Hall from 10.00 a.m. – 1.00 p.m.

Books, baking, groceries, attic finds, crafts, toys. Donations of any of these stalls and to the paper stall will be gratefully received. Anyone willing to help out, please contact Paul Malcolm, 578 1520. Please come along and help support the poorest communities on earth. Thank you.

THE SWINGING SIXTIES – On Friday 28th April we will be holding a 60's night. Entertainment will be provided by The Harmony Singers who will be singing many of the songs we knew and danced to when we were a little younger than we are today, as well as other 'sixties entertainment'. A light supper '60's style' will also be provided. Cost £5 and tickets will be on sale in the church halls from Sunday 2nd April.

Fashion Show Evening – Thanks to all the ladies who came to the Fashion Show on Friday 27th February. We raised over £400 for the roof fund as well as having a very enjoyable evening. Brian the fashion organiser certainly had the right ‘patter’ for the audience which made it a fun evening. We hope to have another fashion evening sometime in the not too distant future.

Christmas Card Delivery – This year our cards were down considerably, but still managed to raise £946.43 which will be split between Parkinson’s UK and WaterAid. Although I was disappointed, I feel we all contribute to good causes and thank everyone who helped either by sorting or delivering the cards.

The Flower Circle held their Annual Coffee Morning on 03 December 2016. They raised the sum of £676.84 and thank everyone who helped make it a good morning.

Life and Work

The annual subscription for ‘Life and Work’ has gone up this year to £27.36 for 12 issues and is now due. Single copies may be purchased for £2.50 each from the rack in the vestibule – while stocks last. The content of this Church of Scotland Magazine is very varied, including a letters page, feature articles by various people, Church news from around the country to name but a few. Why not give it a go – even if it is only one issue – we’re sure you will then wish to subscribe.

Church Sound System

Following various comments regarding the Sound System over a few weeks, ranging from Very good this week, Too quiet, Volume going up and down, to can’t hear anything, I am going to conduct an Audio survey over a few weeks.

We will hand out a plan of the church asking you to mark where you are sitting, whether you use the Loop System for hearing aid users, and comments on the quality of the sounds at that location. I will analyse your comments and hopefully solve the problem of the reported variations in the Sound levels through the Sanctuary.

Session Report

The Kirk Session met on 8th January. Our Christmas celebrations and festive holiday period were behind us and our focus returned to the various activities that folks are engaged in.

One of the key items of business at our session meetings, for what seems like a very long time now, is the proposed restoration of the Church roof. Our meeting in January was no different.

The key factor impacting on roof work starting is having all of the funding in place. We have not at this stage concluded all of our discussions with the Heritage Lottery Fund, so not quite “signed and sealed” yet. However, we have made significant steps forward and things are looking very positive.

Our grant funding comes from two areas:

- 1) The National Lottery Fund; and
- 2) Historic Environment Scotland (formerly Historic Scotland).

These grants together with the funds that, as a congregation, we have raised directly will be sufficient to meet the expected cost of the roof works.

It is still anticipated that the administrative matters will be concluded in the coming weeks, allowing a start on site in the Spring of this year. Initial discussions with our contractor suggest that the work will take 6 to 7 months to complete, so before we are celebrating Christmas 2017, we can expect to be attending Worship in a building free of leaks and dripping water every time the weather turns inclement.

Of course, as with any project of this nature, there will inevitably be areas and times of inconvenience. Our beautiful building will be clad in scaffolding and our car park will start to resemble a builder’s yard. However, it is anticipated that the sanctuary will remain available for our use for the majority of this duration – and I am sure that you will agree that any inconvenience will be a price worth paying to see this work completed and our building returned to a wind and watertight condition for the first time in a considerable number of years.

The restoration of the roof has always been seen as the first and very necessary step in the upgrade of the sanctuary. It is only when the building is weather proof that we will be able to turn our attention to other areas, including electrical wiring, lighting, emergency lighting and decoration, to name but a few. However, for the time being let us focus on all of the good work that as a congregation we have engaged in. It is only through this perseverance and generous giving that we have reached the point we are at today and a new roof feels like a reality. Thank you.

St Mary's Nursery School

St Mary's Nursery School is a well established nursery for 3 – 5 year olds in the heart of the community, with a bright, spacious and welcoming learning environment. They have a fully qualified and mature staff team who are knowledgeable and experienced. You are welcome to pop in and have a look around. For further information please contact 0141 775 1166.

Caring for others helps YOU

Looking after your grandchildren, or providing emotional support to others, can help extend your own life by up to five years, according to a recent study.

Grandparents who provide occasional care for their grandchildren live, on average, five years longer than those who do not. And childless people who provide occasional care for others in their social network live on average three years longer.

The study, at the Max Planck Institute for Human Development in Berlin, concluded that a ‘moderate level of care-giving involvement does seem to have positive effects on health.’

Prayer of thanks for God’s light

Father of all creation,

Thank you for signs of life and light, even in the dark and sometimes difficult days of winter. Thank you for Jesus’ victory over darkness and death – and for the assurance that, if we put our trust in Him - nothing can ever separate us from you.

Help us to hold onto the hope you have given us and to walk on with Jesus as our guiding light. And may His light attract others who don’t yet know Him and whom the darkness threatens to overwhelm.

Shine on us, Lord, that we may reflect your light and receive your peace.
In Jesus’s name.
Amen.

Be a follower of Jesus!

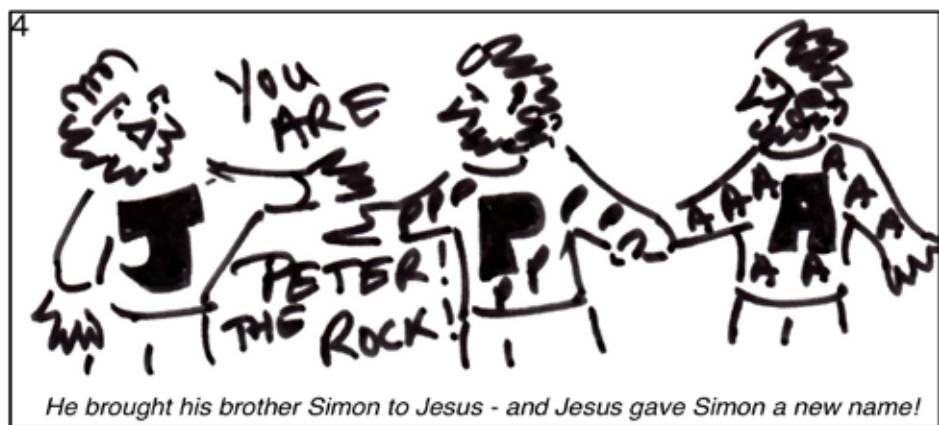

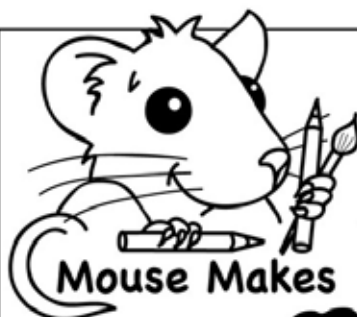

Andrew and his friend John were followers of John the Baptist. When he told them about Jesus they realised Jesus really was the true way and decided to follow him instead! When Jesus saw them following he asked what they wanted - realising they *really* wanted to know about his 'home' - his kingdom and the new life he was offering! After a day with him they had got it! Andrew shot off to tell his brother Simon. He told him 'We've seen the Messiah!' and brought him to Jesus.

Jesus then gave him his new name 'Peter' as a sign of being a new man.

How about you? Be like Andrew - follow Jesus! Read more in John 1: 35-42

The parable of the Shrewd Manager

JESUS OFTEN TOLD STORIES WITH HIDDEN MEANINGS

ONCE JESUS TOLD A STORY ABOUT A RICH MAN...

...AND HIS SERVANT, WHO MANAGED THE RICH MAN'S PROPERTY.

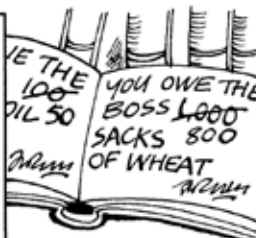

THE RICH MAN HAD HEARD THAT THE MANAGER HAS BEEN WASTING MONEY.

SO HE CALLED THE MANGER TO ACCOUNT FOR HIMSELF!

OH NO! I AM GOING TO GET THE SACK!!

THE MANAGER AGREED TO LET THE RICH MAN'S TRADERS FIDDLE THEIR BOOKS!

SO THEY ALTERED THEIR DEBTS - AND STAYED FRIENDS WITH THE MANAGER.

JESUS EXPLAINED THAT THE MANAGER HAD BEEN WISE IN MANAGING HIS FUTURE... EVEN THOUGH HE WAS BEING DISHONEST.

JESUS WAS TRYING TO ENCOURAGE THE PEOPLE TO THINK ABOUT THEIR OWN FUTURES TOO. BUT IT'S A HARD PARABLE TO UNDERSTAND!

The Rectory . . .

St James the Least

My dear Nephew Darren

Your plans to devise special Services that will involve local industry does you credit, although I cannot imagine what a church decorated with bathroom suites, double glazing frames and airplane wings will look like. Were we to do something similar in this parish, we would have to devise suitable symbols for merchant bankers and property developers. Perhaps wads of banknotes among the flower arrangements may look rather splendid. Our practice is, naturally, to continue with more traditional ways.

We have just had our annual blessing of the plough and new-born lamb. We always have a packed church - mainly of parishioners hoping to see the lamb ruin the Rector's surplice. The only disconcerting part is to be upstaged by the wretched animal as it bleats piteously throughout my carefully crafted sermon, which becomes lost as the congregation wonders if the poor creature may be hungry, or is missing its mother.

The plough always comes from Colonel Wainwright's garden. It stands ornamentally by his lake for eleven months of the year and then rotates round four of our local churches for their services in January. It must be the best blessed, least used plough in the county.

At least this year, I got several of our local farmers to carry it into church.

Last year our Verger pushed it up the aisle, accidentally ploughing a perfect furrow along the red Axminster. The sight may have looked all very well in a field, but was not appreciated in the nave. It did, however, provide a worthy project for our Ladies' Guild. They will be much occupied over the coming months knitting tea-cosies and making jam for sales of work before we can replace it.

Our only other occasion when we have animals in church is the Summer Pets Service. Invariably one escapes and our hymn singing gradually disintegrates as the younger members of the congregation try to catch over-enthusiastic dogs chasing cats and rabbits up and down the aisles.

The only true disaster happened some years ago, just after we had restored the organ, adding that splendid trumpet stop. Our organist decided to start the service with a brilliant trumpet fanfare. The drama of the introduction was somewhat spoiled by all the animals in the building simultaneously relieving themselves, out of shock.

Our team of cleaning ladies were much occupied that week - and the congregation, for once, raised no objection when I used lots of incense at the following Sunday's service. So good can come out of evil, after all.

Your loving uncle, Eustace

COUGHS & SNEEZES

February seems to be the coldest time of the year – and most of us get a cold, complete with runny nose and sore throat.

Well, 3rd February is the right day to have a sore throat because it is St Blaise's Day. Legend says that St Blaise was on his way to be martyred when he saw a young child choking with a fishbone stuck in his throat. The saint touched the child and the bone was dislodged. This led to a custom of Blessing the Throats on St Blaise's Day which continues today in one London church.

Another way to celebrate the day was with big bonfires (before the Bonfire Night we keep in November was thought of) and that is probably why we say that bonfires blaze.

So you can sit in front of a blazing fire, sniffing into a tissue and think about the patron saint of sore throats.
