# From the Interim Moderator

**Reasons to be  
cheerful....part one.**

Since the translation of Rev. Mark E. Johnstone last year, and my appointment as your Interim Moderator, the time, at least for me, seems to have flown by.

The intervening months have been busy ones with much progress having been made in our Vacancy. I write to give you an overview of what has happened since last April.

## 1. Locum

Rev Morris Dutch has settled back into St. Mary's as our Locum, providing consistency in the Pulpit and offering pastoral support to the congregation and parish. In April & May, Morris will be taking some planned holidays and will be absent from the Pulpit for 4

*Continued overleaf*

through the Heritage Lottery Fund

Sundays. He had hoped to be in China, but the outbreak of the Coronavirus has prohibited that trip. Instead he will be absent from the Pulpit, as I had already arranged Pulpit Supply for his absence, but he will continue to do some pastoral work, help with Young Church and take our mid-week Services during this time. In May he will also be attending the General Assembly of the Church of Scotland in Edinburgh, before taking a well deserved 3 month break (last Sunday Pentecost 31/5/20), before returning to St. Mary's on 31/08/20 for another stint of service with us. During his three month absence, pastoral cover will be provided by me and Rev. Adam Dillon of St. David's Memorial Park Parish Church. This will provide a cost saving to the congregation on Locum costs which we hope will be of benefit. I have attached a schedule of our coming Pulpit Supply arrangements at the end of this article for your information.

## **2. Tenure**

In December 2019, the Presbytery of Glasgow and '121' in Edinburgh agreed to our proposals to repay a large portion of our Ministries & Mission Deficit and allow us to call a Minister on the Basis of Reviewable Tenure. Since then, thanks to the overwhelming and incredible generosity of the congregation to our Advent Appeal, the outstanding balance of £60,000 has now been repaid in full. This has prompted an earlier Review of our Tenure and we hope that in March, the Presbytery of Glasgow, and then '121,' will change the Basis to Full Tenure. This will allow us to advertise the Vacancy as an Unrestricted Charge.

## **3 Manse**

The old Manse is currently being sold and we hope to complete the sale in early April. Once that is done, we will buy a new Manse in accordance with the Guidelines laid down by the Church of Scotland. We hope

to purchase a new build home (or a newer property) to reduce future maintenance and running costs.

## **4 Nominating Committee**

The Presbytery Advisory Committee is scheduled to meet with the Kirk session on March 11th and then we will initiate the process to form a Nominating Committee. Their task will be to prepare a Parish Profile, advertise and hopefully bring a recommendation to you for the appointment of a Sole Nominee.

## **5 Annual Accounts**

These records of our 2019 financial activities are well in hand for inspection by the Independent Examiner prior to their presentation for approval by the Trustees (the Kirk Session).

## **6 Stated Annual Meeting**

After the Trustees have approved the 2019 Annual Accounts we will hold this annual meeting to receive reports and the Annual

Accounts as a congregation after Morning Worship on 29th March, 2020.

## **7 Stewardship**

A dedicated Stewardship Committee was formed to specifically engage the Congregation in all aspects of Church life which through time will lead us through the appropriate and essentials modules of the new Church of Scotland Stewardship programme named "The Narrative of Generosity". The Committee has met with Ashley Johnston, National Stewardship Consultant with the Church of Scotland for this area and we invited her to launch the campaign at our Church Service on 8th December 2019. On Monday 2nd March & Thursday 5th March we will be holding a Stewardship Evening in the Main Hall (7.30pm – 9pm). On Sunday 8th March, I will join you for Morning Worship when our focus will be on Stewardship themes.

## 8 What next?

I realise that for many of you it may seem that progress has been slow. In my experience of the Kirk, though, the progress we have made has been remarkably fast given the complexity of the challenges we have faced and overcome. I would like to record my gratitude to all the Office-Bearers and members of St. Mary's for their extraordinary generosity and commitment in enabling us to get to this point. I am deeply grateful to God for your faith and dedication,

which is one of my eight reasons for being cheerful just now.

I expect over the coming months to see more of you in person on a Sunday morning as I join you in navigating the legal processes around the Nomination of your next Minister.

## **Young Church Update . . .**

**Kids Zone** – After a wonderful nativity by our very talented young church, kids zone has been following the life of Jesus and has started learning about the miracles he performed. This will lead us up to Easter. The children tried to turn water into wine, unfortunately this was unsuccessful.

**Seekers** – The seekers have been working on the story of Paul and his missionary journeys. They have been using a map to help them visualise the distance he travelled and the difficulties he would have encountered as he travelled through the various countries, such as language, culture etc

The young people are creating a poster of this topic to display at the Recognition Service in June.

The Seekers have also been doing readings in church each month. This is a new experience for some of them and the congregation have been very supportive of this. We would like to thank everyone for their lovely comments and positive feedback given directly to the young people.

**If any young person would like to join us, we would love to have you come along and join in the activities. We meet in the hall at 10.45am every Sunday.**

## **Forward One Hour!!**

**British Summer Time  
begins at 1.00 a.m. on**

**Sunday 29 March. Please remember to put your clocks and watches forward one hour before you retire on the Saturday night or you could be late for Church!**

## **The Parishioner**

**Copy for the April Parishioner should be handed to Sandra Burns, left in the Publications pigeon hole in the Hall vestibule, or sent by e-mail to [sandraburns.me@gmail.com](mailto:sandraburns.me@gmail.com) no later than Sunday 29 March.**

## **Visitors are welcome**

St Mary's is a sit anywhere Church and visitors are always welcome. If you feel there should be more to life than retail therapy and Friday night clubbing, try coming along to the 11 o'clock service on Sunday morning. You may hear something to change how you value your life and your relationships with those around you. You don't have to join up to join in.

The Church office is located on the right as you enter the Church Halls. The secretary, Mrs Denise Japp, is available in the office Monday to Friday 8.30 a.m. – 12.30 p.m. and may be the first point of contact for general enquiries. Denise will be able to refer you to the person best suited to respond. Church office telephone 0141 775 1166 or e-mail: [office.stmarys@btconnect.com](mailto:office.stmarys@btconnect.com)

# Nursery News

We have had another busy month in nursery with more new children joining us.

Our tender was submitted and we await approval of our plan to offer 1140 hours. Registration for next session is now closed and we look forward to confirmation from EDC of our numbers for this.

Fairtrade fortnight was busy in the nursery with some children making 'stained glass' logos, which are currently displayed in the Regent Centre. A group of children visited the Centre and took part in Fairtrade games and activities – as well as enjoying Fairtrade hot chocolate and bananas!

Children have been on walks to Boghead Woods and will visit the Children's Hospital in Glasgow this month as part of the work they have been involved in at nursery.

They will also take part in a treasure hunt in church as part of our March Open Doors event and will each receive a small gift to remind them of their visit.

To recover from all this activity, the children enjoyed a yoga session run by Relax Kids!

# Mothering Sunday 22nd March

There is an old Jewish saying: God could not be everywhere, and therefore He made mothers.

Mother Church, Mother Earth, Mother of the Gods – our human mothers – all of them have been part of the celebration of 'Mothering Sunday' – as the fourth Sunday in Lent is affectionately known. It has been celebrated in the UK since at least the 16th century.

In Roman times, great festivals were held every Spring to honour Cybele, Mother of all the Gods. Other pagan festivals in honour of Mother Earth were also celebrated. With the arrival of Christianity, the festival became one honouring Mother Church.

During the Middle Ages, young people apprenticed to craftsmen or working as 'live-in' servants were allowed only one holiday a year on which to visit their families – which is how 'Mothering Sunday' got its name. This special day became a day of family rejoicing, and the Lenten fast was broken. In some places the day was called Simnel Day, because of the sweet cakes called simnel cakes traditionally eaten on that day.

In recent years the holiday has changed and in many ways now resembles the American Mother's Day, with families going out to Sunday lunch and generally making a fuss of their mother on the day.

## Prayer for help and healing

**Father,**

You are always loving, always generous and kind to your children. Please have mercy on us in these times of turmoil and division. Help us to be tolerant and understanding of those who have different, sincerely-held opinions.

And guide our leaders so that your will be done in our country and in our relationships with each other and with Europe and the rest of the world.

Lord, have mercy on us, forgive us and heal us.

**In Jesus name, Amen.**

# Ministries and Mission – What is it?

**As you will be aware, we launched an Advent Appeal in early December to raise funds to pay off our remaining shortfall in Ministries and Mission Allocation which had built up over a five-year period.**

**We are very grateful for the tremendous response from the congregation.**

Many of you are however wondering what exactly Ministries and Mission is, therefore, I will try to explain how it works based on a leaflet from the Church of Scotland.

The figures quoted are now somewhat out of date as no new leaflet has been produced for the last two years as a review of the system is under way. This resulted from many complaints about its operation which came to a head at last year's General Assembly when a motion was passed to freeze the total amount payable by a Church for next year and an instruction given that a revised plan be brought to the General Assembly in 2020.

In essence, the Ministries and Mission Allocation pays for the cost of employing all ministers in the Church of Scotland and supports mission throughout the Church.

In 2017 the total cost of employing a minister at the top of the scale which is reached after five years' service was £49,864, (this includes Employers National Insurance and Pension Contributions), our allocation was £72,001 based on the average of the previous three years assessable income. Assessable income is our regular weekly offering, plus donations, gift aid tax recovered on these, investment income, endowment income and any letting income in excess of £20,000. As you can see, we were being asked to pay for approx. 1.44 ministers.

In 2017 for each £10 which was put in the plate or paid by standing order in theory £4.88 paid for our minister, 92p was used for mission and we were left with £4.20 to meet all other operating costs.

The 92p was broken down into:

8p Mission and Discipleship

5p Church and Society

9p Social Care (Crossreach)

12p World Mission

45p Support Services (legal advice, accounting and safeguarding)

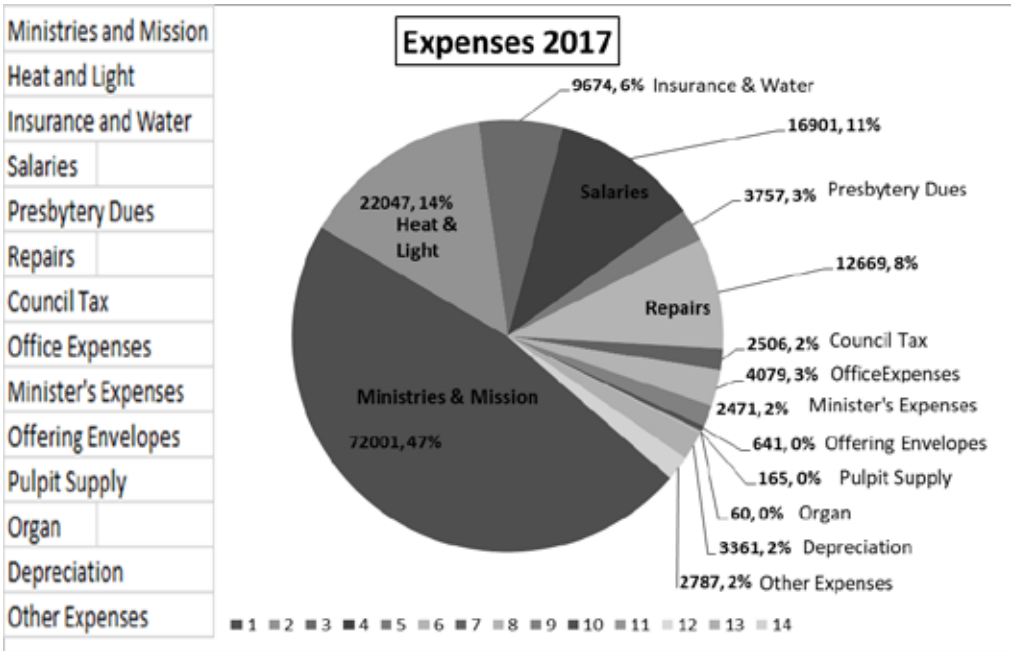

6p General Assembly and Moderator

7p Special Contributions

As the calculation of Ministries and Mission is done on a sliding scale we finished up with an above average figure being requested equivalent to £5.94 per £10 received leaving us with £4.06 to meet all running costs.

The calculation does not take into account the size or age of the building we operate from, which means that other more modern churches with similar income but much lower overheads pay the same amount as we do, which seems extremely unfair.

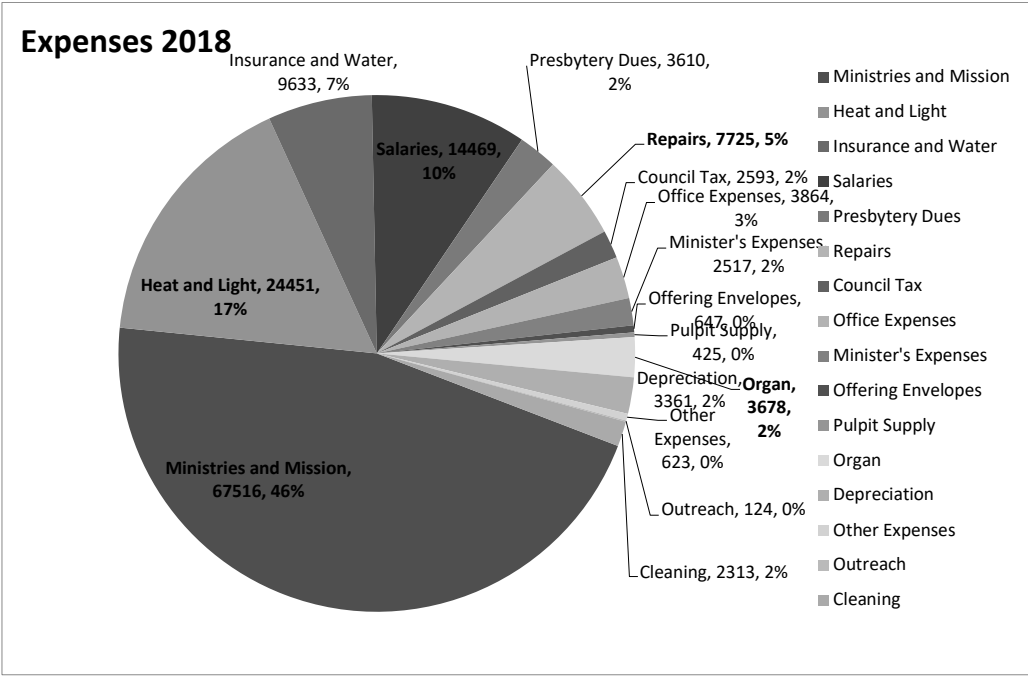

If we look at our 2017 accounts our total general fund income was £122,747 from which we were due to pay £72,001 for Ministries and Mission leaving us with £50,746 to meet our overheads which is less than £1,000 per week. The cost of our Heat and Light, Insurance and water rates and salaries alone total £48,622 leaving just over £2,000 to meet all other expenses which include Presbytery Dues of £3,757 not to mention repairs, office expenses, minister's expenses etc. This clearly shows that the system is not sustainable as churches are eating into their reserves at an alarming rate.

The above pie chart shows the proportion of our expenditure related to each cost centre for the year to 31 December 2017 with the numbers beside each colour relating to the expenses listed on the left in order.

If we look at this chart it can clearly be seen that if we add items 1 and 5 half of our expenditure is taken up by Ministries and Mission and Presbytery Dues which leaves us very limited scope to reduce our running costs.

A similar picture can be seen from the illustrative chart below based on our 2018 expenses.

We will update the pie chart for 2019 once our accounts for that year and budget for 2020 are approved.

Like many congregations, we await with interest the outcome of the review of the system when it is hopefully presented to the General Assembly later this year.

# The Rectory . . .

## *St James the Least*

### *The perils of eating with members of your church*

*My dear Nephew Darren*

This year, the rigours of Lent have taken second place to a far more pressing matter: the installation of a lavatory at St James the Least of All.

Personally, I entirely disapprove of this additional sign of decadence in our moral fibre; we have survived perfectly happily for the last 800 years without one, so why is there such an urgent need now? And being surrounded by acres of fields, there seems to be a completely acceptable alternative. It also spoils the pleasure I used to take, informing ushers at weddings, having liberally refreshed themselves at our local pub before the Service, that we have no facilities and that they would just have to wait. Their look of pained resignation, developing to clear signs of repentance as the Service progressed, was most cheering. It also meant that wedding parties did not linger after the Service but disappeared with commendable speed to safe havens.

I anticipate that now we have the thing, a sub-committee will form to devise a commissioning Service for the person who will be in charge of its maintenance. I can already foresee Lady Bartlett proposing

an appropriate set of robes for the office holder – although it will need some tact to select suitable insignia on the sleeves.

In fact, the project has not been entirely successful; we still need to have a lock fitted and so at present, occupants have been advised to sing hymns loudly. A hymn book has been installed as an aide memoire.

The greater difficulty arises from our antiquated plumbing system. A member of the congregation can leave a Service perfectly discreetly; they can enter the lavatory unseen by anyone, but on flushing, water is drawn through pipes running the length of the inside of the building with a thunderous roar.

I am sure that in your worship centre you will have lavish cloakrooms furnished with colour co-ordinated walls and towels, baby-changing facilities and video monitors relaying everything going on in the service. But we are made of sterner stuff, and I maintain that our congregation should be grateful that they now a lavatory at all. And to think that someone suggested it should even have heating!

**Your loving uncle,  
Eustace**

## Mouse Makes

Jesus, his disciples and his mother Mary had been invited to a wedding. The wedding was to last a week, but too soon the wine had all been drunk.

*READ John 2:1-11 to find out what happened.*

Where was the wedding?

What were the water jars for?

How many water jars were there?

What were the water jars made of?

How much water did the jars hold?

Which of Jesus' miracles was this?

What did the steward tell the bridegroom?

What did the disciples do?

What had happened to the water when it was taken out?

What does this miracle show about Jesus?

# Bible Bite

A short story from the Bible

It can be read in the Bible in  
Matthew 25: 14 - 30

Jesus told a story to help his disciples  
to be ready for the end of time. 'A  
rich man was about to go on a journey...'

He gave his servants money  
to look after, depending on  
what they could do.

He gave 5 bags of coins to the  
first, 2 to the second, and 1 to the third.

As soon as he had gone,  
the first two servants  
started to work.

The one with 5 bags of coins  
used them to earn 5 more,

and the one with 2 bags  
used them to earn another 2!

The third servant dug a  
hole and buried his bag.

When  
the master  
came back,  
he called  
his  
servants  
to him...

The first two showed him they  
had doubled his money, and he  
was very happy with them.

You are a hard man  
who expects us to work. I  
was afraid so I just hid it.

If you knew what I  
expected, why didn't  
you do it?

Get out of here!
